## Tips & Strategies:

Women playing on Wednesdays & Men playing on Tuesdays will usually face considerably less competition ... making it **a whole lot easier to finish in the points!**

Thursday is our smallest competition of the week ... making it **easy points for anyone who plays!**

And of course, the **worse the weather**, the smaller the field, the **easier it will be to score!**

Watch out for emails that we're playing the **Inside Nine** ... that's worth **double points**.

Watch for special days when we'll be awarding **extended rundowns** and **bonus points**.

**There are two great accommodation & golf packages from Paradise Palms up for grabs, so dust off your wet weather gear, play often and play well!**
